WELCOME FROM THE CHAIRMAN

Good afternoon everyone and welcome to the Meadens Skoda Arena here in Brockenhurst, for our Velocity Wessex Premier Division game against AFC Stoneham. Many thanks to Viner Fires who are sponsoring today's match.

I hope everyone enjoyed a joyous Christmas and that Santa brought you lots of great presents. Santa visited Brockenhurst FC just before Christmas and fun was had by all at our Christmas party.

Our last match saw us play Blackfield & Langley for the third time this season but for the first time in the League. Brockenhurst recorded a very welcome win which moves us up to 12th in the League.

The 500 Club, offering life membership of Brockenhurst FC for just £500, is now up and running, please see page 12 of this programme for more details of all the benefits associated with membership of the 500 Club.

Our next match is next Saturday, 4 January, when we will once again be at home, hosting Downton FC in the League.

Before then we will be celebrating New Year's at the club, with a New Year's Eve party beginning at 7pm. Note that there is free admission to this event!

Here is to a successful afternoon today and hoping we can all cheer "Up the Badgers"

HOME OF THE
BADGERS

CLUB HISTORY 1898-2024

The club was founded in 1898, initially playing close to the Rhinefield Ornamental Drive. The Badgers were founder members of the New Forest League which they won a number of times. They moved before World War 1 to a site between the Rose and Crown and Snakecatcher pubs. Following the war the club played in both the Bournemouth and Hampshire leagues, moving to Fathersfield. In 1931 they were forced to move again, to Black Knoll when Fathersfield was given over to housing. In 1935 the club won the New Forest Lads Cup. Within two years the Badgers moved to Oberfield and after World War 2 they spent some seasons at Tile Barn before moving to their current home at Grigg Lane in 1951.

The club were crowned Hampshire League Division Three champions in 1960 as well as winning the Bournemouth Seniors cup. They moved between the Second and Third divisions until in 1971 they were promoted to Division One where they won the league title in the 1975-76 season. Brockenhurst were founder members of the Wessex League, joining in 1986. The club's FA Cup giant killing reached its pinnacle in season 2001/02 when Kingstonian were defeated and in season 2004/05 the club reached the 3rd qualifying round, the run ending in defeat to Bath City.

In season 2012/13 the club returned to the Wessex Premier Division as Division One champions and reached the final of both the Southampton DFA Senior Cup and the Wessex League Cup. The Badgers won three cups in three years—in season 2019/20 the team won the Bournemouth Senior Cup; in 2020/21 we lifted the Hampshire Senior Invitational Supplementary Cup; and in 2021/22 we won the Russell-Cotes Cup. In 2020/21, both the U18 and U17 teams won their divisions. Season 2021/22 was one of the most successful for Brockenhurst in recent years, with the club finishing 6th in the Premier Division, getting to the last 16 in the FA Vase and winning the Russell-Cotes Cup.

Brockenhurst celebrated its 125th season in 2023/24, and missed out on the promotion playoffs by goal difference only. At the end of the season, long-serving manager Pat McManus left the club; a successful and enjoyable testimonial match for Pat was held in July 2024.

Danny Ackland has now become the manager of Brockenhurst; we have retained many of the players from last year's positive campaign, and have made some great signings too. The future looks bright for The Badgers.

AFC STONEHAM CLUB HISTORY

AFC Stoneham enter the 2024/25 season with more than 130 teams and 1600 players.

The Club was founded in 1919 as the Royal Engineers (Ordnance Survey Office) FC by soldiers returning from the First World War. Nicknamed 'The Mapmakers', the club simplified its name in 1929 to Ordnance Survey but the side struggled in the Hampshire League West Division and in 1933/34 the club slipped out of County Football for sixty-four years, until winning the Premier Division of the Southampton Senior League in 1996/97.

The club, by now having moved from the Civil Service Ground to Stoneham Park, joined the Wessex League Third Division in 2004/05; following the dissolution of that Division, the club joined the newly-created Hampshire Premier League in 2006/07. Now called AFC Stoneham, the club won the Hampshire Premier League in 2007/08.

The club won the Southampton Senior Cup in 2011/12 and repeated the feat the following season with a win against Brockenhurst on penalties.

In 2015 the Club earned promotion to the Wessex League whilst winning the Hampshire Premier League Cup for the second time.

Season 2016/17 saw us venture into the FA Vase for the first time; the first team finished 8th in our 2nd season in Wessex Division 1. The following season we improved our league position to 5th and reached the final of the Russell-Cotes Cup. During the 2018/19 season the first X1 went 20 league games without defeat, one of only three teams at our level in the country to do so. Also in that season we entered the FA Cup for the first time. Despite being one of the lowest ranked teams in the competition we won at AFC Portchester and at home to Westfield. Sadly, our adventure was curtailed by Cirencester Town in the next round. Prior to the Cirencester game, and as the lowest ranked team left in the competition, we had a visit from the FA Cup with many of our junior players and first team present for photos on a memorable day which brought the club both TV and National newspaper coverage.

We finished 2018/19 as runners-up in the Southampton Senior Cup, and as Wessex Division One champions.

Our first ever season in the Wessex Premier Division was curtailed due to the Covid pandemic. We were lying 2nd in the division when the season became null and void.

We had already moved to our new £10m home in the January whilst still maintaining our old Chestnut Avenue ground for pre-season training and games prior to its closure in October 2020.

Due to Covid, the 2024/25 season will only be the club's fourth full season in the Wessex Premier Division, having finished fifth in 2021/22, third in 2022/23, and second in 2023/24 (but succumbed to Shaftesbury in the playoff final).

We enter to 2024/25 season with optimism and look forward to our adult and your sections continuing their growth and progression.

LAST TIME ROUND

JON RENYARD'S REVIEW OF BROCKENHURST V
AFC STONEHAM—27 FEBRUARY 2024

11 games to go – no free hits left for Brock if they're serious about the playoffs, and next up league leaders Stoneham...

And let there be no doubt about it, the better team won the game.

Goals in injury time in each half and to be fair, the Badgers largely held Stoneham at arm's length for most of the 90. Outstanding in defence, disciplined off the ball, organised in the midfield, superb work-rate – Brock's best performance of the season by a distance.

Both defences were organised and were intelligently shielded by their respective midfields, and the first shot in anger didn't arrive until the 17th minute – a good Brock attack broke down in the box, Stoneham broke quickly, Martins drew too many defenders and his clever ball across found Orvis in space – but his shot lacked power and Channell was back to clear it off the line. Straight up the other end, and McGrath forced a good low save from Lee. Chances were at a premium: just before half-time, Bainbridge volleyed brilliantly but only into the side netting; and then Martins blazed a shot high. Into injury time, the ball fell to Bailey just inside the box, and his excellent shot was brilliantly pushed away for a corner... and that corner was headed home powerfully by Thompson for a goal on his Badgers debut. HT 1-0

It was inevitable that Stoneham would come out fired up for the second half. Within three minutes a neat move sent Fee flying down the left wing and his cross whizzed through the six-yard box –no touch applied. But – massive credit to the Brock defence– that was pretty much the Purps' best moment of the second half. Moore headed a corner powerfully over on 56 minutes, he was only about 8 yards out and it was a great chance. 69 minutes, a great ball to the back post but Pearce-Eavis couldn't quite connect properly. Makhloufi, twisting and turning, shooting just wide of the near post on 71... And finally, three minutes from time, the perfect chance to seal the game, a brilliant run from Pearce-Eavis, crossed in to Carbayo-Borges who controlled about 8 yards out, and – cleared the crossbar. Into injury time, another Brock break, played through to sub McCarthy-Gardiner who beat the offside trap – keeper Lee came racing out – but McCarthy-Gardiner just beat him to the ball, skipped around him and walked the ball into the empty net. The playoff dream is still alive. FT 2-0

The Wessex Football League Show is the official podcast of the Velocity Wessex Football League. We are on air live from Awaaz 99.8FM studios & simultaneously on Fiesta 95FM based in Southampton from 14:00 to 16:00 every Sunday and you can also listen live on www.awaazfm.co.uk from anywhere in the world.

Our aim is to promote all local football but specifically the 40 teams of the Wessex Football League. So far, we have had managers, chairpersons, players, press officers and secretaries joining us as studio guests, and via zoom and phone guests from many Wessex Football League clubs, as well as guests from local teams both higher up and lower down the pyramid.

This is your show and is a platform for your club to promote its events and raise its profile. If your club produces post-match interviews, please either email us a copy of the audio or give permission for us to play them on air straight from your website or social media sites, as we will aim to play them on the show.

Please come and join us one Sunday, we do have access to the two studios so it is easy to accommodate guests in the studio, for more information please email gregdickson94@gmail.com or cliffpledge@hotmail.com
